SPRINKLER GAUGE KIT

Description

NFE sprinkler gauge kit provides everything needed to install a fire sprinkler gauge to a riser or other device. The kit contains a 0-300psi water/air gauge that is UL/CUL listed and FM approved, 1/4" brass 3-way valve (UL/CUL listed), 1/4" x 1/2" galvanized bushing, 1/4" x 4" galvanized nipple and a 1/4" galvanized plug. All items are packed in a box and labeled.

Part number: 11-566
